

7/24/68

Dear Bill,

Thanks for your letter of 7/22 and the enclosed memorandum. It strikes me, again, as a fine piece of work.

I have heard nothing from anybody. I have no immediate plans for returning to New Orleans in the near future. If I go there I will let you know in advance.

I find it strange to have heard nothing on the Canyon end, but that seems pretty good, too.

Is there any way I can properly be served here? Is there any way under Louisiana law that I can't be properly served here? I will assume if I hear nothing from you that you have no word or instructions on this. In any event, if there is any effort, I will tell you.

Sincerely,

Harold Weisberg
